Broadway Underpass Details Cleared

Venice Has Sufficient Funds to Finance City Share of Construction

A contract between the Illinois Division of Highways and the city of Venice, for the proposed Broadway underpass, detailing city and state participation in the project, has been approved by the state.

Dr. John E. Lee, mayor of Venice, told the city council in a meeting Friday night that the approval eliminates the last of the preliminary procedures necessary to beginning of actual work on plans and specifications for the grade separation, which will tie in with Federal Route 151 to be built through Venice near the riverfront.

At the same time, Mayor Lee announced that after several years of deep concern over the source of revenue to finance the city's share of the project — about \$200,000 — the city now has sufficient funds to pay for approach work, sewer, street relocation and other phases of the project for which the city will be responsible.

Meeting Set Friday

He said also that the Illinois Commerce Commission, which entered a final ruling in the case two months ago fixing a division of cost for the underpass to be paid by the federal and state governments, the city and the railroad, has called a meeting in Springfield Friday to draft the final order.

Attorneys for the agencies involved are to sit in on the session to help map details of the official order which, the mayor said, will order construction of the underpass within a two-year period.

Mayor Lee said that on Friday the city of Venice received its yearly allotment of \$100,000 from operation of McKinley Bridge, making a total of \$380,000 which the city has been able to set aside in anticipation of the underpass within a two-year period.

May Not Need Loan

Under the ICC ruling, the railroad involved — the Gulf, Mobile & Ohio, Wabash and New York Central — have agreed to loan the city up to \$120,000 without interest, payable in two years.

This gives the city access to \$500,000. But since the city's share of the project is estimated at around \$240,000, the city will not need to borrow all of the \$120,000 available from the ICC.

JAMES STUART

James Stuart Dies Suddenly; Teacher, Advisor

James Stuart, 62, well-known Granite City teacher and DeMolay advisor, was pronounced dead at 6:25 a.m. Sunday at St. Elizabeth Hospital, where he was taken after being struck at his home during the night.

Mr. Stuart was chosen in 1963 as winner along with Robert D. Todoroff of the 1962 Quad-City Civic Achievement Award of the Associated Retailers & Civic Association. The citation noted his long service to youth, including 30 years as advisory board chairman of the local DeMolay chapter.

A Coolidge junior high school science instructor residing at 3711 Namekoi road, Mr. Stuart also was honored by 300 persons on May 12, 1960, with a testimonial dinner recognizing his volunteer DeMolay work.

Mr. Stuart had been in apparent good health. The cause of death has not yet been established.

59-Year Resident Came to Granite City as a Child

He was born in St. Louis and came to Granite City as a child, residing here 59 years. He formerly taught at Granite City high school and previously was a foreman at General Steel Industries, where his late father was foundry superintendent.

"At the 1960 banquet, his DeMolay service was described as long, devoted and effective" in fostering character-building as part of the chapter's athletics, social programs and ritual work.

It was noted that the chapter has the largest in Illinois and second largest in the state and has produced two state DeMolay champions as well as winning the 1959 national DeMolay basketball championship with Stuart as coach. Over 3000 Quad-City men and youths have "come under the direct influence of his leadership, inspiration and guidance," it was recalled.

Stuart became advisor to the chapter in 1953 during the depression period in which youths encountered a lack of "things to do" as well as a lack of funds. Disbanding of the chapter had been considered but he was deemed to be no available leader, and Stuart stepped forward on a "temporary" basis.

Energy, Enthusiasm

"Through his energetic and enthusiastic efforts, the DeMolay chapter became a vital, effective force in providing useful and necessary activities for youth during these trying days. Today, his interest and desire to help youth remains strong and undiminished," the banquet audience was told.

"No one can tell the amount of personal finances he has spent in these trying days. Today, his interest in youth activities. Few realize that his youth work has meant four to seven nights of effort week after week.

"His labors are being felt throughout the area in all walks of life. Many men over the age of 50 are active in community affairs will attest to his influence upon their lives at an early and impressive period."

Madison Mother Leads 3 Children From House Fire

Dense smoke from a smoldering fire in the living room awakened Mrs. Gerald Bargiel, 1915 Harris street, Madison, late Sunday night in time to lead her three children to safety through the rear of the house. Her husband arrived home shortly after the fire was discovered.

Mrs. Bargiel told Madison firemen she was awakened when she and the children began choking. Picking up her son, John, two, she carried him and led her other two sons, Joe, five, and Craig, eight, through the rear of the house. Her father, sleeping in another part of the house, awakened at the same time and escaped unharm.

GC Steel to Halt Manufacture of Tin Plate Products

Contract Proposal Cancels Strike Set At Blast Furnace

A strike of about 550 employees at the blast furnace department of Granite City Steel Co., scheduled for midnight tonight, was cancelled Saturday evening after company officials submitted a contract proposal to representatives of International Chemical Workers Union, Local 50.

The strike was set for midnight tonight in a 72-hour strike notice given the company at the conclusion of a negotiating session that began at 10 a.m. and continued until 10 p.m. Friday. A four-month extension of the old contract expired at midnight last Thursday.

Firm Will Concentrate On Cold Rolled and Galvanized Products

Granite City Steel Co. will withdraw from the marketing of tin plate, effective Jan. 1, providing more steel-making capacity for its two fastest growing steel products, cold rolled steel sheets and galvanized steel products, it was announced here today.

The company will review the tin plate market after the completion of its current modernization program which includes the development of an iron ore mine and pellet plant at Pilot Knob, Mo., and construction here of a large basic oxygen furnace shop and a computer-controlled hot strip rolling mill.

The company is the smallest tin plate producer in the United States.

Nicholas P. Veeder, chairman of the board and president, said tin plate has been accounting for only about 4% of Granite City Steel's flat rolled shipments and is not presently a profitable product. The company shipped a total of 1,138,000 tons of all products in 1964.

Granite City Steel has been evaluating the effect of rapid technological changes on tin plate production and marketing.

Veeder said. The company has concluded that the heavy investment which would be required to make Granite City Steel a strong producer of tin plate and the newer fall thickness would yield a better return at this time if devoted to facilities for flat rolled products.

About 75% of the company's \$500 employees work on units which will be directly affected by the decision on tin plate.

Veeder said it is hoped production on cold rolled sheets and galvanized products will increase sufficiently to provide additional jobs in these areas of the plant.

GC Assessments Published Today

The 1965 personal property tax assessments for Granite City township along with real estate assessments in the township where additions or improvements have been made appear on 23 through 31 of this day's Press-Tribune.

The listing is the official notice of personal property assessments and real estate changes for 1965 last year as of last April 1.

Township Assessor Von Dea Crus explained that real estate listings this year are only those which buildings have improved or additions built. All real estate property is revalued every four years and 1965 is the first year for Granite City township.

The assessor's value for township property for 1965 was set at \$154,219,530, up from \$151,000 last year. The new figure is subject to revision by the county board of review.

Persons who consider their assessments incorrect have until Oct. 15 to notify the board of review at Edwardsville either in person or by writing.

Homes of 6 Starch Plant Supervisors Damaged by Rocks

A series of vandalistic attacks on homes of Union Starch & Refining Co. supervisory employees occurred late Sunday night and early this morning, according to reports by company officials.

The attacks occurred on homes in four cities and, for the most part, involved throwing of bricks or rocks through windows and at the front of the houses-breaking shingles.

The company reported one other instance in which Lt. H. B. Corse, a security guard, was followed in his car from the plant to McKinley Bridge by an auto containing eight men. The report by Corse said the car pulled alongside his auto on two occasions, but then fell back. There was no further incident in this case.

The first damage was reported at 11:50 p.m. Sunday when several pieces of concrete were hurled through a window in the front of the house of W. C. Rummelt, 2621 Clark avenue. A 1965 auto was seen speeding away after the missiles were thrown. A piece of concrete block was thrown through a front window of the home of Porter Marcus, 3304 Johnson road, at 12:30 a.m. today, and five minutes later three half-bricks were thrown at the house of Bruce Williams, 2901 Dale avenue, breaking a window in the front of the house.

At 1 a.m. a brick was thrown through a front window at the home of David Ham, East Alton. Three windows were broken and several shingles were cracked on the front of the house of Harold Rose, Troy, at 1:30 a.m. A window also was broken at the home of Russell Stump, Edwardsville, early this morning. Stump is a member of the company's negotiating committee. This attack was believed to have occurred about 2 a.m.

The attacks were reported to Granite City police, state police and the sheriff's office.

All of the homes at which damage occurred are those of supervisory employees in engineering, production or maintenance at the starch plant.

Vandals Damage Crane
A mirror and window of a truck crane were broken during the weekend at the Parkview school site. It was reported at 8:10 a.m. today.

MORE ABOUT James Stuart

(Continued from Page 1.)

Advisor of Year

On Jan. 15, 1962, the International Supreme Council in Kansas City, Mo., announced naming of Stuart as "Advisor of the Year in Southern Illinois" for 1961. That year was the first in which the annual award was given, and his selection was described as a special honor because it was the first.

His new title from the International Council was that of a member of the "Guild of the Leather Apron." Only 32 of 3500 DeMolay chapters throughout the world were so honored.

The presentation was made at a semi-annual DeMolay office party held in St. Louis, Mo., at the Masonic Temple.

Wilbur Bell, executive officer of the Supreme Council, commented in his announcement regarding Stuart that "your contribution has been outstanding. We of DeMolay want to extend our congratulations to you for your leadership, true greatness and personal abilities."

Degree, Key Awards

Stuart also has been awarded the Legion of Honor degree, Chevalier degree, Cross of Honor degree, Advisors Honor Key and the White Honor Key.

His wife, Fern, organized the DeMolay Mothers' Circle during the 1950s.

Besides his wife, he is survived by two sons, James Hugh Stuart of Chester, Ill., and Robert Dean Stuart of Edwardsville, both teachers, and one granddaughter.

His affiliations included Masonic Lodge 877, Granite City Royal Arch Masons Chapter 221, St. Clair Council 61, Scottish Rite, East St. Louis Commandery, Aired Tenth, Tri-City Shrine club and Life DeMolay membership.

Funeral arrangements are given in the obituary column.

Postpone DeMolay Event

Installation of Granite City DeMolays tomorrow has been postponed due to the death of Advisor James Stuart. Instead, the DeMolays will assemble at the Masonic Temple at 7:30 p.m. Tuesday to visit the funeral home in a group.

Suspect in Murder Case Here Dies in Car-Truck Crash

Loren Fredrick Milligan, 46, of near East Alton, who was under investigation in connection with the murder of an Alton woman in Granite City, was killed at 5:50 p.m. Friday when his car collided head-on with a truck on Highway 111 a mile south of Roxana.

State police said Milligan crossed into the wrong lane, and the truck driver, Gary File, of Cottage Hill, drove off the road in an attempt to avoid the collision. File was reported in good condition in Wood River Township Hospital.

Milligan was questioned in the murder of Mrs. Jessedell Daech, divorced mother of three children, in her apartment at 2317 Delmar avenue, where she resided for two weeks.

A coroner's jury ruled the death as homicide at the hands of a party or parties unknown, chloroform and methyl (wood) alcohol the body.

Refused to Testify

Milligan attended the inquest but refused to testify except to say that he was at the front porch woman's apartment Aug. 22, the evening before she was found, was described as Mrs. Daech's boy friend.

Granite City Chief of Detectives George Teller said no notes were found at Milligan's trailer home when it was searched Saturday. He said the investigation is continuing and he is seeking the source of the chloroform and wood alcohol.

Chief Teller said one person interviewed told him that he had seen a man at the front porch of Mrs. Daech's home at about 1 a.m. Aug. 23, and had identified the man as one who had visited Mrs. Daech earlier.

Friend Interviewed

A friend of Milligan, in an interview on Friday, told Chief Teller that Milligan seemed disturbed and had asked him "if they could hang a man this day and age for something he didn't do." The friend said he did not think so and advised Milligan to get a lawyer.

The friend quoted Milligan as having told him that Mrs. Daech had no idea that she was going to die, Chief Teller related.

Milligan, who was employed as a crane helper at Granite City Steel Co., has a son and four daughters. Other survivors include his parents, three brothers and three sisters. An inquest is pending.

Speeding Charge

Paul E. Mosby, 2308 Adams street, was arrested on a speeding charge at 8 p.m. Sunday at 2900 Madison avenue. He was summoned for a hearing on Oct. 15.

Man Loses Wallet, \$10

Tom R. Kivford, 2240 Bryan avenue, reported at 12:20 p.m. Sunday that he lost his black wallet containing about \$10, his driver's license and papers.

Project a Year Away

Mayor Lee explained that the time required for preparing plans and specifications, acquiring right-of-way and other preliminary work puts actual construction of the underpass at least a year away.

Henry McMullen, bridge manager, told the council that in addition to the \$100,000 paid the city for its operation of the bridge, an additional \$46,000 was paid for additional payments on bond premiums.

He said bridge traffic during the fiscal year that ended Thursday totaled 4,557,727 vehicles, setting an all-time record for city operation of the bridge. Two years ago, the total was 4,571,748.

Harry H. McMillan Sr., 66, of 305 Kirkpatrick Homes succumbed to an illness of one year at 6:05 p.m. Saturday at St. Mary's Hospital, East St. Louis, where he had been a patient two months.

A retired laborer, he had worked at the Galloway-Von Gruening plumbing firm. He was born in Kennett, Mo., and resided in Granite City 45 years. Survivors are his wife, Georgia; three sons, James of Bonne Terre, Mo., and Harry Jr. and John, both of Granite City; four daughters, Mrs. Harriet Bull, Mrs. Lois Evans and Mrs. Betty Lyons, all of Granite City, and Mrs. Virginia Ellen Hendricks, Granite City; a sister, Mrs. Etelle Butler, Fresno, Calif.; 19 grandchildren and three great-grandchildren.

Funeral arrangements are given in the obituary column.

Andrew Huff, 55, Dies Madison Steelworker

Andrew Huff, 55, of 1425 Third street, Madison, passed away at 4:15 a.m. Friday at the Madison county sanatorium, where he had been a patient seven months.

A native of Venice, he was a long resident of the Quad-Cities. He was a steelworker at the Laclede Steel Co. and was a member of St. Mary's Catholic Church, Madison.

He is survived by a daughter, Mrs. Thomas (Virginia Ellen) Hendricks, Litchfield; a brother-in-law, David Huff, Madison; cousins, Jewell, Ray and Joe Gregg, all of Madison; and a niece, Mrs. Nick (Marie "Sis") Lombardi, Madison.

The funeral was held this morning at St. Mary's Church, with burial at Calvary Cemetery. An obituary notice is given elsewhere in this issue.

ENTERTAIN VETERANS

The D.A.V. Auxiliary entertained patients at the Jefferson Barracks Hospital Wednesday evening. The commander, Mrs. Irene Niehaus, the hospital chairman, Helen Miller, and Mrs. Wilma Dorch attended.

The "kitchen band" of the Eagles also provided entertainment for the group. Refreshments were served and gifts were presented to about 200 patients.

Granite City. Services at 10 a.m. Wednesday, Oct. 6, at Mercer Chapel, Interment 8 a.m. Friday at Calvary Cemetery, St. Louis.

A memorial fund to be called "The Uncle Jimmy Stuart DeMolay Memorial Fund" is being established. Friends may make contributions to this fund in lieu of flowers if they so desire.

Salvation Army is Ready with Helping Hand for Needy

Traditionally known as an organization ready and willing to offer a helping hand to the needy—be it a transient needing a hot meal or an entire family down on its luck, the Salvation Army is one of the oldest of the United Fund agencies in the Quad-City area and one which depends upon the United Fund for about two-thirds of its annual operating budget.

The Salvation Army is recognized for its ability to provide not only emergency help on a moment's notice, but also an agency that, throughout the year, offers an organized program of religious education and recreation for persons of all ages, as well as specialized activities for Senior Citizens.

Disasters such as fire or flood find the Salvation Army working side by side with the victims and authorized workers fighting the disaster.

The annual Tree of Lights campaign raises additional funds for Christmas baskets, but organizing and staffing this special effort is provided through the regular budget, underwritten by the United Fund.

Year-Around Relief
Regular year-around relief, grocery orders, clothing, furniture and fuel was given to 563 families in 1964, and 193 transients were aided, mostly with meal tickets, but also a few with overnight lodging and transportation.

The Salvation Army has been operating on a 1965 budget of \$32,900, of which \$21,000 came from the United Fund and the balance of \$11,900 from other sources, including the Tree of Lights.

During 1964, the total operating cost amounted to \$29,896, and during the first four months of 1965 amounted to \$10,085.

For the 1966 year, the Salvation Army has submitted to the United Fund a budget of \$33,000, including a request for \$21,200 from the United Fund. The remaining \$11,800 will represent other income during the year. The United Fund has allocated the agency's requested grant of \$21,200.

Christ Pashoff is advisory board president and Lt. Ronald Gorton is officer in charge. The Corps Headquarters is located at 1421 Nineteenth street. The phone number is TR 6-2864.

Falls Injure Eight

Persons on Saturday

Eight persons hurt in falls were treated at St. Elizabeth Hospital Saturday.

Mrs. Deana Williams, 32, of 1610 Ferguson avenue, hurt her left ankle and leg; Perry Wilkinson, two, 203 Ashbrook street, Venice, fell on sidewalk and cut his nose; Bryan Warren, five, 2032 Benton street, fell out of a pony cart onto his right leg and hip; and Mrs. Rosalee Wilson, 44, of 2207 Grand avenue fell down a step and twisted an ankle.

Mrs. Juanita Cowan, 23, of 913 Lee avenue, Madison, broke her left elbow in a fall; Daryl Atchey, 15, of 2109 Manley avenue hurt his left knee in a fall while playing tackle football; Carl Daley, 15, of Caseyville, was knocked unconscious and struck her head and nose in falling off a bicycle against a curb, and was admitted to the hospital; and Theresa Johnson, five, Glen Carbon, fell out of a bunk bed, cutting her nose.

Parking Lot Mishap

Autos of Donald Smith, 2032 Warren avenue, and Lois Woods, 1880 Poplar street, collided on the Bellemore shopping center lot at 3 p.m. Saturday.

Egg-Wielding Yeggs Damage, Loot Parked Cars

Eggs were utilized Friday night by Granite City vandals, who threw them at autos and homes on Woodlawn avenue, Vine street, Janday lane, Richmond avenue and Oaklawn drive, tossed them onto a rug as a door was opened at the Wilson Schwager home, 53 Janday lane; and broke them on the floor of the auto of Garland Horn, 1740 Spring avenue, also cutting the convertible top and leaving a lighted cigar on a fender.

Eggs were placed in the carburetor, radiator, oil filler pipe and other parts of the parked car of Ernest Kern, 1725 Primrose avenue, which was looted of its distributor, radiator and battery caps.

Not only were eggs broken on the front seat of the 1963 auto of Mrs. Leon Hudson, 1700 Primrose avenue, but her 1960 vehicle was driven or pushed to the front yard of a home at 1732 Primrose, its radio aerial was bent, and eggs were broken over the front of the car.

Vandals Friday night also poured sand and gravel into the gasoline tank of the auto of Thomas Swatzell, 1801 Primrose avenue; went window peeping in the 2500 block of Spaulding avenue; and threw rocks on porches in the 2800 block of Marshall avenue.

Residents of the 4100 block of Rode avenue reported hearing several shots fired at 10:15 p.m. Friday.

Football, Porch Swing Injuries Treated Here

Emergency room cases at St. Elizabeth Hospital Saturday included Mark Jones, nine, 4912 Kirkpatrick Homes, who lacerated the back of his head while playing football, and Fred Hoffman, 16, of 2471 Center street, who hurt his right foot playing football.

Jack Black, 39, Tetacola, Ill., caught his right index finger in a cigarette machine; Jimmy Jackson, six, 2454 Delmar avenue, stepped on a nail with his right heel; Mrs. Shelby Slayton, 23, of 2127 Illinois avenue, suffered a left hip injury when a porch swing fell; and a similar porch swing fall caused a bump on the forehead of Cheryl Wileman, 12, of 2407 Bryan avenue.

District Governor To Visit Lions Club

Walter Gavlick, president of the Madison Lions Club, announced a proposed visit by Lions' district governor, Vernon K. Heuchert of Worden who will attend a meeting of the local service club in November. The announcement was made at the club's weekly dinner session held Thursday and attended by 32 members.

The district official, currently making his fall tour of various area clubs, will be honored by the Madison group at a dinner, to be held in the Sportsmen's Club, Tenth and Iowa streets, Gavlick said. He added that a record turnout of members will be sought.

Future programs were discussed during the business session, and a report was heard on the probable acquisition of a film, entitled "Shelli's World of Golf," featuring world-champion golfers, Sam Snead and Jack Nicklaus. Plans were made to show the movie in December.

Arrangements also are being completed for a special evening to honor ballplayers from two championship boys' baseball teams. The youths to be feted are members of the Lions-sponsored Khoury League.

Business was concluded with a financial report given by Ronald Grzywca, club treasurer. The remainder of the time was spent socially.

25th-Cleveland Mishap

Cars driven by Martin E. Hatfield, 2313 Iowa street, and Clarence E. Maxfield, 2508 Center street, were involved in an accident at 4:30 p.m. Thursday at 25th street and Cleveland blvd.

Downtown Collision

Autos of Lucille Caban, 1409 Rhodes street, and O'Laughlin, East St. Louis, collided at 19th and State streets at 12:15 p.m. Friday.

Aid Recipients In Madison County Receive \$342,367

A total of 6924 Madison county residents received \$342,367 in aid under the state's five assistance programs during July, according to a report this week by Harold O. Swank, director of the Illinois Department of Public Aid.

The largest number of persons to receive aid in any single program was 4436 persons who were paid a total of \$174,292 in aid to dependent children. Second largest sum paid out in Madison county was \$82,335 for old age assistance to 911 persons.

Payments made in Madison county under the other three programs included blind assistance, \$3784 paid to 45 persons; disability assistance, \$38,770 paid to 433 persons; and \$28,236 paid to 1047 persons in general assistance.

Payments throughout the state as a whole amounted to \$25,142,282 during July, compared to expenditures of \$24,716,202 in June, according to the report. Most of the increase in expenditures was in the assistance to medically indigent aged, amounting to \$332,425 in July compared to \$325,425 in June.

Aid to Dependent Children rolls for July numbered 239,584, a decrease of 1974 over June's 261,558. The number of persons receiving general assistance in July was 65,100, an increase of 1716 from the 63,384 recipients in June.

The overall payments in Madison county showed only slight change from June payments when 6836 persons received a total of \$342,700 in aid in all five programs, or a difference of only \$335.

NEVER BE AFRAID TO GO TO A DENTIST.

Such fears are old fashioned. They date back to the long past time when people so neglected their teeth that they waited till they were hopelessly decayed and had to be extracted.

NOW WISE PEOPLE PROTECT THEIR TEETH

From childhood on, children are taken to a dentist regularly. New "miracle" drugs prevent infection. Modern dental techniques have as their ultimate purpose to save teeth not extract them.

DENTISTS CAN WRITE PRESCRIPTIONS.

They often prescribe medicines to soothe the anxiety of a nervous patient, prevent pain or to be used for the treatment of dental ailments.

REGULAR DENTAL CHECK-UPS ARE NEEDED.

Otherwise cavities become more troublesome and increase in size. As one gets older, receding gums can create problems. Follow your Dentist's advice about how often your teeth should be cleaned and checked.

WE STOCK ALL DENTAL AIDS.

Whether your Dentist specifies a particular medicine, a dental preparation, or a special type of tooth brush, depend on us to have it waiting for your regular or emergency need.

DISTRICT MEETING OF HOMEMAKERS ASSOCIATION

A district meeting of officers of the Madison County Home Extension Association Wednesday included a two-hour training course.

Mrs. E. L. Menzie, president, opened the meeting. A delegate from Purdue University at the national meeting in August, she spoke on the convention, at which 41 states, Puerto Rico and South America were represented.

The program for the afternoon consisted of a review of a League of Women Voters meeting at which speakers were Circuit Judge James Monroe and Attorney Dick Mudge. They spoke on juvenile welfare in Madison county.

Mrs. Virgil Davis, also a delegate to the national meeting, spoke on "Influence of Women in the Community Here and Work of Home Extension Associates." Also discussed was the Association of Country Women of the World, the national homemakers' association. She showed slides and discussed various aspects of the topic, relating to South America in particular.

A play was given, entitled "Attendance Meeting," by Mes-

dames Ed Von Hatten, C. M. Kinder, Gay DeChiaro, W. W. Hawkins, Mildred Dresh, Emerald Daves, John Richardson, H. H. Rapp, Clarence Iberg, R. H. Culp, Clarence Long and Victor Drenchuk.

Madison county has received a first prize. Mrs. Catherine Mauch, home advisor, said in congratulating the ladies on accepting responsibilities in community life and homes.

Those present from the Granite City unit included Mrs. A. H. Buchman, unit chairman, Mrs. Catherine Arnold, chairman of the membership, Mrs. M. J. Hill, secretary, and Mrs. F. J. Stevens, alternate representative.

MRS. HOMMERT ENTERTAINS CLUB

Mrs. Catherine Hommert entertained a monthly pinocle club in her home at 2723 Michigan avenue Thursday evening. All members attending a long time ago, Mrs. Nell Talley.

Several games of pinocle were played, and the prize winners were first, Mrs. Juanita Rosenberg; second, Mrs. Harriet Hoff. The hostess served a dessert luncheon to the winners, guest and Mesdames Lorraine McIlroy, Irene Williams, Mary Lou Clausen, Betha Witter and Hazel Rollins. The next meeting will be in the home of Mrs. Irene Willis, 3143 Wayne avenue, Oct. 28.

SAFETY TOPIC OF AREA PTA COUNCIL

The Granite City Area Council of PTAs met Wednesday evening at Logan school for a pot luck dinner. Mrs. Lucille Caban, president, conducted the business meeting, with a report given by Lee Reid, treasurer.

Reid presented the budget for the new year, and it was approved. Mrs. Pat Polley gave a secretarial report.

Mrs. Eva Meier, principal of Logan school, introduced special meeting, with a report given by Mrs. Mary Partney, School Supt. and Mrs. Russell D. Johnson, School Treasurer and Mrs. Ron Dillard, and Mrs. Ida Hanfelder, PTA district director.

Bill Hesselenz, vice-president and program chairman, intro-

duced Ben Enge, parliamentarian of St. Clair Toastmasters Club 496, who spoke on "Tips on Conducting a Meeting With Parliamentary Procedures."

Mayor Partney spoke on the school safety program sponsored by the Area PTA Council, which hopes to have the Automobile Club help train patrol boys. A school safety meeting of the area board meetings.

A record, dated for the evening by Mrs. Mary Jenkins, a past president of the National PTA, was played and discussed. It dealt with PTA membership and attendance goals.

SEVENTH BIRTHDAY

Phillip Morse celebrated his seventh birthday Saturday afternoon at a party given in his home, 3165 Aubrey avenue, by his mother, Mrs. Toni Morse.

Party games were played and those winning prizes were Robert and Roy Wildrick, Shelia Harmon, Michelle Hunter, Kim Svoboda and Connie Corluzzi. 'Know Your Product' Contest at A. O. Smith

Nearly everybody at the A. O. Smith Corp. auto frame manufacturing plant is an inspector these days.

A "know your product" contest was started last week and is open to all hourly employees who are inspecting two auto frames on display in the plant's cafeteria.

Prizes include a portable television set, a developing camera, three portable radios, three electric drills, three electric carving knives, seven electric can openers, seven transistor radios and seven other prizes.

R. Brink, plant manager, said two frames were picked at random from the production line, and 16 welds were marked for inspection.

Expert's Notes Secret

Before the auto frames were set up in the cafeteria, they were given a thorough going over by an expert, Lewis West, chairman of the American Welding Society. The results of his evaluation were recorded, notarized and

placed in a sealed container which was posted on a locked, glass-enclosed bulletin board. Winners in the contest are to be announced on Oct. 18.

Contestants are required to rate the welds on the 1966 Chevrolet and 1966 Corvette frames and to answer two questions on the entry blank.

Purpose of the contest is to acquaint all workers in the plant with the quality of the products being turned out and to recognize errors in welding that can be corrected.

Venice to Install Lights in Alleys At 22 Locations

Installation of 22 street lights in Venice alleys and at alley entrances was authorized by the Venice city council Friday night.

The lights will be installed by the Illinois Power Co. under a program designed to afford lighting in every alley in the city.

Dr. John E. Lee, mayor, said the new lights were located by a survey conducted by First Ward Alderman James Miller and the council's lighting committee to provide more convenience and protection for residents who have homes fronting on alleys.

Under the city's lighting agreement with the power company, the lights are installed without charge to the city unless installation of a utility pole is required. All of the new lights are to be erected on existing poles, the mayor said.

Dynamite Found At Home of Wounded GC Man

Three sticks of dynamite have been found at the home of Thomas Stamps, 4728 Warnock avenue, the Madison county sheriff's office learned Friday afternoon.

An investigation is under way. The dynamite was in a box which apparently became soaked with rain water. It was located near a corner of the house. The Army Depot bomb disposal squad was called to handle the material.

Stamps, who operates a septic tank service, told authorities he did not know how the dynamite came to be there. Stamps, 38, was found shot in the right thigh of his neck about 4 a.m. Sept. 26.

He said the shot was self-inflicted accidentally. Neighbors told investigators that they heard about eight shots fired that night in two bursts about 15 minutes apart. The sheriff's office also is continuing to investigate the shooting. Discovery of the dynamite was reported by a neighbor.

James Shone, 73, Dies at Home

James E. Shone sr., 73, of 2957 East 25th street, a 59-year resident of the local area, died at 7:45 p.m. Thursday, at his home of cardio-respiratory failure. He had been under medical care for about five years.

A retired real estate broker, Mr. Shone had been employed about ten years ago with the Hardaway Realty Co., a developer in the Mitchell area. Previously, he had worked as a crane operator at General Steel Industries. He was born in Parsons, Kan.

He is survived by his wife, Mrs. Nan L. Shone; a son, James E. Shone Jr., of Granite City; a daughter, Mrs. C. L. (Nanette) Parmley of Miami, Fla.; and three grandchildren.

Funeral services were conducted Thursday afternoon. Other arrangements are listed in today's obituary column.

Soldier Faces Charges

Harold F. Hartman, Granite City Army Depot, was arrested at 1:10 a.m. Friday on charges of driving while intoxicated, reckless driving and speeding at the Niedringhaus avenue rail crossing. He pleaded not guilty and was released to depot authorities pending a hearing on Oct. 18.

Order Affects Reservists

Quadrant active in Army reserve units are expected to be affected by a Defense Department order Thursday dissolving 751 units containing 55,000 men. High priority units chosen for intensive training will consist of 135,000 men from the National Guard and 15,000 reservists. Transfers are possible but openings in National Guard companies are reported to be scarce.

socket wrenches, torches and tips for a welding tank. Value of the items was not listed. Entry was gained by forcing the garage door.

A 19-inch portable television set was stolen from a barracks at the 273d Engineer Co., Granite City Army Depot, it was reported by William Gerathy of Hudson's jewelry store, owner of the rental set.

Purse, \$80 Stolen

Mrs. Richard Tansley, 2505 Lee avenue, reported that her black patent leather purse which she left on the seat of her car while shopping at Emmet's market, Edwards street and Ridgefield avenue, was stolen. It contained a wallet with \$80 and papers. The purse was found later, without the money, in the asphalt behind the market.

Transmissions for 1955 and 1953 cars were stolen from the home of Joel Joseph, 2801 East 28th street, at about 1:30 a.m. Friday, he reported at 9:15 a.m.

A 1952-ford black and white tarpaulin and a 16-foot chain were stolen from a truck parked on the Lindley Co. lot, 17th street and Grand avenue, it was reported Thursday afternoon by the driver, James Kelley, Sandusky, Ohio. He estimated the value at \$75.

A Gun Stolen

A 12-gauge and a .410 caliber shotgun, a BB gun and a pellet gun were stolen in a burglary at the home of Arthur Bull, North Chouteau Slough road, he reported to the county sheriff's office after arriving home from work at 4 p.m. Thursday.

Entry was gained by breaking a kitchen window. A mirror in the bedroom also was broken. The telephone was pulled from the bedroom wall and a bed in a front room had glass and ink on it.

Rosa Larsen, 2162 State street, reported that on Sept. 17 a thief broke the rear door of her home and stole a boy's wrist watch.

First Child a Son

For Mr. and Mrs. Kaltmayer

Mr. and Mrs. Donald Kaltmayer of Lemay, Mo., are announcing the birth of their first child, a son, Sunday at St. Mary's Hospital in Clayton, Mo. The baby weighed six pounds, four ounces and he has been named Donald Howard.

The mother is the former Margaret Bischoff, a daughter of Mr. and Mrs. Howard Bischoff, 1603 Amos avenue. Mr. Kaltmayer's parents are Mr. and Mrs. Herbert Kaltmayer of St. Louis.

Treated for Wound

Mrs. Naomi Greer, 46, of Bond road was treated at St. Elizabeth Hospital Sunday after her wrist was slashed by a knife at her home. She was found by her husband and was released after treatment, the county sheriff's office reported.

Shoots Self in Hand

James Lucas, 30, of 105 Hill street, Eagle Park Acres, accidentally shot himself in the palm of the left hand at 1 a.m. Sunday while he was checking a .25 caliber pistol, it was reported to the sheriff's office. He was admitted to St. Elizabeth Hospital for treatment.

Store Windows Broken

Vandals threw rocks through two large plate glass windows of the B. F. Goodrich Tire Co., 23rd street and Madison avenue, it was reported at 11:30 p.m. Thursday. A company official also reported earlier that day that a rock had been thrown against the front window, causing a small hole.

road. He was admitted to St. Elizabeth Hospital with injuries that included lacerations on the forehead and right hand.

The motorist related noticing a spider on him, and said he lost control of the car while trying to brush it away.

After a collision on Johnson road near Wabash avenue about 6 p.m. Thursday, Mrs. Olive Bucky, 2235 Pontoon road, was taken to St. Elizabeth Hospital, where she reported pains in the neck and back. She underwent surgery and was released. She said she was waiting in a line of traffic going east when involved in a crash with a car driven by Tony Vesce Jr.

Three Hurt on Bridge

Three persons were injured, two seriously, in a one-car accident on the east approach of McKinley Bridge at 4:35 a.m. Saturday.

Venice police said a car driven by Jack Lee Ponewash, 24 St. Louis, headed west, crashed into a lane divider when he apparently lost control of the car. He and two passengers, Miss Jeanne Morrison, 21, and Rodney Huskey, 19, both of St. Louis, were taken by ambulance to St. Elizabeth Hospital, where Miss Morrison was treated for cuts and abrasions to the upper lip, both knees and both legs and released.

Both Ponewash and Huskey were reported in serious condition. Huskey was treated for severe lacerations to the right side of the neck, nose, left cheek and back of the head, abrasions to the forehead and right arm and a skull fracture. He was transferred to St. Mary's Hospital, Clayton.

Ponewash suffered a concussion and lacerations to the upper lip, face and forehead. He was transferred to Lutheran Hospital in St. Louis.

Granite City Gets 1st Conference Victory of Season

Venice Wins, 12-9; Remains Unbeaten

Venice's baseball team took advantage of speedy base running on key hits and came from behind to beat Weslin 12-9 at Weslin Friday night.

The Red Devils, down five runs going into the third, got three in their half of the inning to close the margin. Weslin came back with four more in the bottom of the third and that put Venice behind a 9-3 score. In the top of the fourth, Venice rallied for four more runs and the score was 9-7 Weslin.

A last-inning barrage of hits, accounting for five runs, gave the Redmen the victory. Greg Puente and Eddie Harper both had doubles with the bases loaded and three runs batted in.

Puente's was in the third and Harper's in the fourth. The conference game puts Venice in the top spot with a 5-0 record. Weslin, previously unbeaten, now sports a 4-1 conference record. Venice closes its season schedule with a home game against Brees Tuesday night and a game at Warden Wednesday night.

Venice 003 040 5-12 9 2
Weslin 004 000 0-9 11 1

Winning pitcher, Essington; losing pitcher Stanhaus.

Jim Rollins Scores 3 TDs; Coolidge Wins by 25-6 Score

Jim Rollins scored three touchdowns and accounted for more than 80 yards in rushing as Coolidge junior high trounced Edwardsville's 29 yard line at Edwardsville Thursday.

Rollins scored his first six-point on a 30-yard pass from quarterback Gary Simpson early in the game. The point-after try failed. A Simpson pass to Robert Wojtowicz put the ball on Edwardsville's 29 yard line and Rollins then scrambled around end for the score, his second TD. Rollins' time was 11:23.

"Doug Mudd broke up Rollins' scoring monopoly with a six-yard sprint midway through the third quarter. Richard Asadorian ran for the PAT. Coolidge's final tally was again by Rollins; this time the halfback hit the left side of the line and broke away for a 38-yard score.

Granite City Man Gets Fish and Prize Bonanza

Keith Sveda, 2912 Grand avenue, shared \$5000 in merchandise prizes with 500 fishermen during the 1965 Tagged Trout Bonanza, records of the Missouri Chamber of Commerce Fishing Committee showed this week.

Sveda caught a tagged trout from Lake Taneycomo and received passes for free bowling, sightseeing trips, free dinners at five restaurants, outboard motor oil and sporting equipment.

GARY JOHNSON seems to be nearly stopped by an unidentified Collinsville tackler in action of Friday night's game. The big Granite City halfback eluded this tackler and gained seven more yards on the play.

Tim Hackney (11) and Rick Turner (26) set up more blocking protection as Henry Franzman (34) and Doug Smith (75) follow the play.

Warriors Take 1-2-3-4; Beat Tigers, 17-41

Granite City's Warriors swept the first four places for a 17-41 cross country win over Edwardsville at the Tigers' home course Thursday.

The win over Edwardsville gives the varsity Warriors a 4-2 mark on the season and a 3-2 conference record. The Granite City jayvee team also scored a win over Edwardsville, 25-30. Bruce Jones was second, in a time of 12:14, and Mickey Kawula was third in 12:29 for the little Warriors.

John Brown, 12:53, and Gary Oxford, 12:57, placed fifth and seventh. Fumbles plagued the Trojans, including passes from center early in the contest. Alton Rendell was singled out for valuable efforts in a defensive end assignment, and John Brake also was active on defense, including a pass interception.

Trojans Outrun Sparta 26-14 for First Win, Await Midwestern Foes

Closing the non-conference phase of their 1965 season by hosting Sparta Friday night, the Madison high school grid Trojans earned a satisfying 26-14 victory, their first in three starts.

Although their defense was adequate, it was the Trojans' offense that enabled them to dominate the Sparta game after spotting the visitors a 7-0 lead after the first quarter.

They outdistanced Sparta 201-95 in total yardage gained, including a whopping 299-93 advantage in running plays. "Well pleased with the running backs and blockers," Coach Glen Pickering indicated that linemen and other defenders will receive special attention in this week's practice sessions as Madison prepares to visit Dupo Friday night. This and four later Midwestern Conference clashes will close out the eight-game season.

Fumbles plagued the Trojans, including passes from center early in the contest. Alton Rendell was singled out for valuable efforts in a defensive end assignment, and John Brake also was active on defense, including a pass interception.

Throwing key blocks for Burt and other runners. After Tom Mines scored for Sparta in the opening period, Burt put the Trojans on the scoreboard for the first time in the second quarter with a ten-yard off-tackle plunge, and then ran around for the extra point to tie the score. Steve Geroff had passed 35 yards to Louis Ratliff during the drive.

Later in the period, Rendell ran five yards for a touchdown. The extra point attempt was called back, leaving the score at 13-7 at halftime.

After a scoreless third period, Brake rammed over the goal on a five-yard gain and Burt ran over for the team's 20th point and his eighty point.

Long Run by Phillips
Bernard Phillips climaxed the scoring for Madison with a 37-yard run. Then, with three minutes left in the game, Paul Boston scored for the visitors on a kickoff return.

Trojan superiority throughout the game was demonstrated by a tally showing that they ran a total of 53 plays, 29 in the first half and 24 in the second half. Sparta totaled 27 plays on 14 in the first half and 13 in the second half.

Two substitute Madison backs earned "rave notices" for their first offensive performances of the season. Phillips went 30 yards for a TD that was called back. The meeting will be conducted by Bob Kurth, blackbelt instructor at the "Y"; Jim Cummins, president of the Central Plains Judo Association, and Ed Posey, secretary of the YMCA Judo club.

Also to be announced at the session will be plans for an advanced judo instructors clinic. It will start at the "Y" this Friday from 8 to 10 p.m. and run for eight weeks.

Many of the top Judo people from this region will conduct the classes, expected to attract instructor-students from a variety of different judo clubs ranging from St. Louis county to Springfield, Ill.

Additional information may be obtained by contacting the YMCA, TR 6-7200.

McKechan, Warriors Trounce Kahoks, 40-0

Jerry McKechan, a defensive guard for Granite City, did just about everything but score a touchdown in the Warriors' 40-0 Northwestern Conference victory over Collinsville Friday night at Granite City.

The 175-pound senior blocked two punts, recovered a fumble, set up three touchdowns, batted down a few opponent passes and made 11 tackles in his night's work.

The Warriors were a superior team, and had little trouble containing the Kahoks offense. McKechan's second punt block was picked up by senior defensive lineman Ed Broussard, who scattered 18 yards for a touchdown.

"He (McKechan) did a fine job and was all over the field," said Warrior head football mentor Jim Morrison. "You just couldn't keep him away from the game," he added.

Although McKechan's defensive performance was outstanding, the Warriors' ground game ripped the Collinsville defenses for 227 yards.

Rick Turner, a senior halfback, averaged 10 yards per carry for the night. He gained 80 yards on eight carries. Gary Johnson, a hard-running halfback, picked up 54 yards on 12 attempts. Both Johnson and Turner scored touchdowns.

The Warriors chalked up their first six points on a 10-yard gain by Johnson. Jim Rains added the extra point with 9:37 remaining in the first period of play.

Later in the first quarter, less than a minute to play, a quarterback, Tim Hackney, connected with Dana Latakes for 20 yards and a touchdown. The period ended with a 14-0 Granite City score.

The teams battled back and forth exchanging the ball during the second quarter, and the Warriors held the same 14-0 edge at halftime.

After a Granite City fumble that gave Collinsville the ball on the Warrior 45, the highly-talented Granite City defense pushed the Kahoks back to their own 31 yard line. McKechan then stormed through the big Kahok line and blocked his second point of the evening. Broussard scooped up the ball and scored.

An on-side kick gave Granite City the ball on Collinsville's 38

yard line. The Warrior sophomore offensive unit, led by halfback John Spengler, made its way down to the Collinsville 25 before being stopped. Spengler gained 49 yards on eight carries.

On Collinsville's next play, a misplay in the backfield caused a fumble and Rich Kotzall went 20 yards with the loose ball for the final Warrior touchdown.

This is the one we needed," Morrison said. "Our boys are getting the polish they need, and now we're on our way."

The Warrior offense, although outstanding, was equaled in performance by the defense, which held Collinsville to a minus eight yards rushing and 28 yards passing for a net of 20 yards.

The defensive squad picked off two Kahok passes, recovered three fumbles and shattered the big (250-pound average) front wall of Collinsville.

Granite City's record now stands at 2-1 overall, a 1-0 conference mark, while Collinsville is 0-2 on the season, 0-1 in conference play.

The Warriors travel to Alton for another conference game Friday night.

Liberty Home Moves Into Tavern Finals

Liberty Home pounded out a 25-3 victory against Tony & Joe's in a semi-final game Sunday and moved into the final game of the Tavern League playoffs next Sunday.

Andrew "Decho" Angeloff, leadoff hitter for Liberty Home, connected with a home run to start the onslaught. Tony & Joe's pitcher Bill Diak was relieved early in the game, but heavy hitting combined with many errors ended Liberty Home to build up the huge margin.

Next Sunday, Liberty Home meets Polish Hall at Lee Park.

REGENT BRIDE, Mrs. Michael J. Winn, the former Marilyn Powles, a daughter of Mr. and Mrs. B. L. Powles of Godfrey, who was married at the Sanford Avenue Baptist Church in Alton. The bridegroom is a son of Mrs. John Burnett, 1931a Grand avenue.

Miss Lela Werner Becomes Bride of Thomas G. Voight

The wedding of Miss Lela Rae Werner, a daughter of Mr. and Mrs. Raymond H. Werner, 4721 Vincent avenue, and Thomas Glenn Voight, whose parents are Mr. and Mrs. Robert A. Voight of Marine, Ill., took place Friday evening at Concordia Lutheran Church on Grand avenue.

The Rev. Alfred Buis, pastor of Hope Lutheran Church, officiated at the 8 o'clock ceremony in a setting of white flowers and greenery. Lighted candles on the pews lined the aisle through which the wedding procession passed, the bride escorted by her father.

Attendants were Miss Mary Werner, a cousin of the bride, maid of honor, and Mr. David Keeton, Mrs. James Lyons and Miss Janet Buske, bridesmaids. They were dressed in floor-length empire gowns of gold crepe with dark brown velvet trains and piping. Veils matched the gowns and they carried wicker baskets of pom poms in rich autumn shades, combined with sprigs of bitter sweet, net and velvet ribbon.

The bride chose a gown of beau de soie embellished with pearls and recombined Alencon lace. The bodice had a scoop neck, long sleeves tapering to points at the hands and a crest waistline. The A-line skirt was styled with a flowing, detachable train, chapel length and accented with lace motifs. A crown of pearls fashioned of loops which formed a high peak centered with a tear drop pearl.

The bride's mother wore a pale green sheath dress of lace and crepe, and gave green accessories, while the bridegroom's mother chose a medium blue crepe sheath dress with a lace jacket and blue accessories. Both had corsages of white pom poms and ribbons.

A reception was held at the VFW hall after the church service. The newlyweds have returned from a brief honeymoon trip and are residing at 2050a Edison avenue.

The bride, a graduate of Granite City high school, is employed in the offices of First Granite City Savings & Loan Association. Mr. Voight attended Triad high school in Troy. He is employed by American Car and Foundry Co., St. Louis.

MRS. THOMAS G. VOIGHT, the former Lela Rae Werner, daughter of Mr. and Mrs. Raymond H. Werner, 4721 Vincent avenue, who was married Friday evening at Concordia Lutheran Church.

GC Man Upheld in Not Paying Old Tax Bill

B. C. Robertson, 2612 State street, an employee of the Army Materiel Command, St. Louis, was victorious Friday in a test case related to the statute of limitations on the 1½ St. Louis city earnings tax. Circuit Judge Casey Walsh dismissed an attempt to collect \$129 in 1955-58 earnings taxes.

Robertson is one of thousands of Illinois residents who have not paid the tax for periods ending about five years ago. Private employers deduct it automatically, but government employees are allowed to file their own tax return and payments.

St. Louis Revenue Collector John Travers and the city legal staff plan to appeal to the Missouri Supreme Court. If there is a reversal, the city plans to file other suits to collect back taxes.

The Southern Illinois Taxpayers League contends the tax is levied for services not received, and notes that Missourians working in Illinois are not similarly taxed. The tax itself has been upheld as legal.

FORMER PASTOR HONORED
A fellowship covered dish luncheon was held in the educational building of the First Baptist Church in Madison Wednesday, honoring Rev. and Mrs. Harold Harsh, who have been conducting a revival at the church.

Approximately 50 gathered at the church to spend time with the former pastor and Mrs. Harsh. A group also had stayed for a dinner served in the educational building after worship services earlier last week.

Rev. and Mrs. Kenneth McDaniel accompanied the couple to the luncheon. Fresh roses adorned the tables and were later given to Mrs. McDaniel.

NINTH BIRTHDAY
Sharon Serini, daughter of Mr. and Mrs. Robert Serini, 1171 Market street, was honored with a family gathering. The celebration was held at the Serini home on Saturday evening, given by her grandparents, Mr. and Mrs. Lester Thiele, 1509 St. Clair avenue.

A decorated cake centered the refreshment table. Gifts and cards were presented to the honored guest.

On Saturday afternoon, a party was held in the basement of the Thiele home, which was decorated with birthday streamers. Candy favors and balloons were at each place setting. Mrs. Elva Martin assisted Mrs. Thiele as games were played and refreshments were served.

Joann Weidner, Sandra Kay Serini and Christi Dittman were awarded prizes. Others present were Barbara Kiesel, Selma A. Feilich, Zita Nampier and the honored guest. Gifts were opened.

TEACHER HONORED
Members of the Queen Esther Sunday school class of the First Baptist Church met at the home of Mr. and Mrs. Al Barbre, 1724 Fourth street, Thursday evening, honoring Mrs. Barbre, who has been their class teacher.

A gift was presented to Mrs. Barbre by the class.

How come 3,500,000 people in Illinois are insured by Metropolitan Life?

Designed for today's needs...up-to-date...that's the kind of protection you'll find in the policies offered by Metropolitan Life. And people here and everywhere are turning to Metropolitan Life for fresh new developments in life insurance programs. For example:

New—a plan especially designed for young men with growing families

We call this our Extra Protection plan. We created it especially for young men, and women too, who are starting families and find themselves a bit squeezed around the budget.

Under this plan, a permanent \$4,000 policy, for example, carries the Extra Protection of another \$4,000. This benefit lasts for ten years—while your children are growing up, for instance—and at the end of the period can be converted without a physical examination to as much as \$8,000 of insurance, giving you \$12,000 in all.

This Extra Protection plan is just part of the up-to-the-minute selection of life and

health insurance plans you'd expect from America's leading life insurance company. It's one of the reasons so many of your friends and neighbors are insured by Metropolitan. Another is Metropolitan's famous Family Security Check-Up, a written analysis that pinpoints your family's financial situation today and projects tomorrow's opportunities.

Ask your Metropolitan adviser to give you one this week. There's no obligation...except to those you love.

More choose Metropolitan Life
millions more than any other company

There are many reasons why Metropolitan Life insures 45,000,000 people—more than any other company. One good reason is local, personal service from the Metropolitan advisers at your nearest office:

DISCUSSING PLANS for a membership kickoff drive were members of the Homemakers Extension Unit. Left to right are—Mrs. Edward Graklanoff and Mrs. Elmer Nuemann of the Trio Unit, Granite City; Mrs. Emerald Daves, County Membership chairman; and Mrs. Ewald Ruebhausen of the Isabel Bevier Unit.

County Homemakers Open Member Drive

The Madison County Homemakers Extension Association opened the 1965-66 season with a luncheon and a membership drive Thursday in the County Extension Auditorium in Edwardsville.

Mrs. Emerald Daves of Granite City, county membership chairman and a member of

Isabel Bevier Unit, formally opened the drive for the group and presided at the luncheon.

She spoke on membership qualifications within the units and explained that units are competing for honors in receiving the most new members through Oct. 8.

Winning unit membership chairmen will receive an all-expense paid trip to state Homemakers Extension annual meeting in January at the University

of Illinois campus. Units with eight or more new members will be judged winners.

Membership chairman from 22 county units attended the opening program which set the goal to boost extension membership from the present 1094 to 1100 women. Cooperative Extension service is offered in home economics and agriculture to interested persons both rural and urban as a service of the University of Illinois, a land grant college.

Guest speaker at Thursday's meeting was Mrs. Esther Hoffstetter, District Seven director, who outlined the opportunities available through organization and challenged the members to "sell" Homemakers Extension. Miniature goal posts, footballs and cheerleaders decorated the luncheon tables in keeping with the "TD & TD" membership drive theme. "Touch Down a Triumphant Drive."

Mrs. Bates is WCTU Hostess

The Woman's Christian Temperance Union was entertained Friday evening in the home of Mrs. Alice Bates, 228 Grand avenue, with Mrs. Van Best serving as the co-hostess.

Pledges to the national, Christian and WCTU flags were led by the hostess. The president, Mrs. Bethel Davis, opened the business session and program.

"Who, What, Why, When and Where" was the topic of a devotional message by Mrs. Pearl Campbell, who quoted from an article by Mrs. Paula James in the "Union Signal," a WCTU publication. Rev. E. V. Campbell, a retired Methodist minister and honorary WCTU member, offered prayer.

Mrs. Davis explained projects designated by the WCTU national headquarters to be accomplished in the ensuing year. She appointed Mrs. Ruth Lucas to begin formulating November project plans. Mrs. Olivia Kotmeier, a former Granite City woman now living in Chicago, was enrolled as a new member.

National legislation and trends of primary concern to the temperance organization were outlined by Rev. Campbell, who reported on letters he had sent to President Johnson and U. S. Senators Douglas and Dirksen, in which he expressed the stand being taken by the WCTU.

The evening concluded with a social hour, and refreshments were served by the hostess to 12 members and Rev. Campbell. The next meeting was set for Nov. 5 in the home of Mrs. Genevieve Willtrout, 131 Briarcliff.

LADIES COTERIE TO MEET

Mrs. E. H. Theis will be hostess to the Ladies Coterie Thursday afternoon in the parlors of First United Presbyterian Church. Mrs. R. E. Chapman, president, will be in charge.

Miss Jeanette Cicio and Charles R. Svoboda jr. Wed

St. Mark's Catholic Church in Venice was the scene of the wedding Saturday morning of Miss Jeanette Cicio and Charles R. Svoboda jr.

The bride is a daughter of Mrs. Ann Cicio, 1289 Oriole street, Venice, and the late Gus Cicio. Mr. Svoboda's parents are Mr. and Mrs. Charles Svoboda sr., 1918 Elizabeth street, Madison.

The ceremony was performed at 10 o'clock by the Rev. Michael Wernsing OFM, and the wedding breakfast was held at the Rose Bowl. Friends and relatives of the couple attended a reception at 6:30 at the Venice-Madison American Legion Home.

Arrangements of yellow and white flowers decorated the altar and burning candles in branched hurricane lamps entwined with Southern smilax and accented with white satin bows lighted the aisle through which the wedding procession passed.

A gown of silk organza and re-embroidered Alencon lace was worn by the bride. It was made with a bouffant silhouette, a bateau neckline and Camelot sleeves. Lace motifs encircled the waist and formed a wide border at the hemline. Separate motifs adorned the skirt and the chapel train carried out the lace border effect. After the ceremony it was converted into a butterfly bustle. A fairy princess veil of imported illusion was held in place with a headpiece of silk organza and lace. The bride carried a cascade bouquet of white Fuji mums centered with a corsage of phlox and orchids.

Mrs. Carol Childers, a sister of the bridegroom, was matron of honor, serving with Nancy Scuturo, Barbara Mangi and Mrs. Marie Gray, cousins of the bride, and Marcelle Bero, bridesmaids. They were dressed alike in gowns of green and gold brocade. The dresses featured draped necklines, lowered in the back. Camelot sleeves and velvet sashes encircling the waists. Headpieces matched the gowns and all of the girls held arrangements of yellow Fuji mums and croton leaves.

Joni and Mark Cicio, niece and nephew of the bride, served as flower girl and ring bearer, the former in a dress of silk organza trimmed with satin motifs on the bell skirt and waist. She wore a white crown with touches of gold and carried a colonial bouquet of yellow and white pom poms.

For her daughter's wedding Mrs. Cicio chose a dress of pink Venice lace, pink accessories and a corsage of light green orchids, while the bridegroom's mother appeared in avocado green face over beige, accessories of beige and a corsage of yellow and white orchids.

James Childers, the bridegroom's brother-in-law, was best man, and Don Bridick, Danny Bridick and Robert Laub, cousins of the bridegroom, Gerald Graklanoff, the bride's cousin, and Tom Bridick, another cousin of the bridegroom, made up the list of groomsmen and ushers.

After a trip to Florida and Louisiana the newlyweds will make their home in Madison.

The former Miss Cicio was graduated from Venice high school and holds a secretarial position with a St. Louis insurance firm. Mr. Svoboda jr., an employee of Granite City Steel Co., was graduated from the Madison high school and is attending evening classes at the East St. Louis center of Southern Illinois University-Southwestern campus.

Among the out-of-town guests here for the wedding and reception were Mr. and Mrs. Frank Pernicini of New Orleans, La.

MRS. PATRICK M. DOYLE, the former Janet Elizabeth Dallas, daughter of Mr. and Mrs. Joseph Dallas, 3015 Buxton avenue, who was married Saturday at Sacred Heart Catholic Church.

Doyle and Dallas Nuptials At Sacred Heart Church

Miss Janet Elizabeth Dallas, a daughter of Mr. and Mrs. Joseph Dallas, 3015 Buxton avenue, and Patrick M. Doyle, a son of Mr. and Mrs. James L. Doyle sr., 2245 Washington avenue, were married Saturday morning at Sacred Heart Catholic Church.

Palms, ferns and arrangements of white chrysanthemums decorated the church for the 10 o'clock Nuptial Mass at which the Rev. G. R. McKay officiated.

Mrs. Margaret Crawshaw presided at the organ and accompanied the vocalist, Richard Judd, in a program of wedding music.

Mrs. Michelle Strack was matron of honor, and serving as bridesmaids were Miss Margaret Dallas and Miss Norma Dallas, sisters of the bride.

The bride chose a gown of gardenia white peau de soie and Chantilly lace designed with an empire bodice of lace, a sash and neckline of bell sleeves. The floor-length skirt swept into a full court train with gathered fullness in the back. A fabric bow centered with a rose and streamers complemented the gown. An imported silk illusion veil was secured with a high, open crown of pearls and the bride held an off-side cascade of stephanotis, yellow Sweetheart roses and garlands of variegated ivy.

The attendants wore identical gowns with high rise bodices of gold-colored Venice lace, rounded necklines and three-quarter length sleeves. The long slender silhouette skirts were crepe. Matching headpieces and brief veils completed their costumes and they held cascade bouquets of white spider mums, pom poms and croton leaves.

A little flower girl, Lisa Schivone, a niece of the bridegroom, wore a long dress of yellow tulle with an overskirt of white, flowered silk organza. A complementary yellow ribbon accented the waist and she carried a basket of rose petals.

Mrs. Dallas was attired in a dress of deep blue lace and crepe with blue accessories, while the bridegroom's mother selected a beige knit dress and brown accessories. Both wore corsages of white flowers.

Dr. Robert Schivone, brother-in-law of the bridegroom, was best man, and the corps of groomsmen and ushers included

Michael and Frank Doyle, cousins of the bridegroom, Thomas Pappin, the bride's cousin, and Thomas Daniel, another cousin of the groom.

An afternoon reception was held at the American Legion Home, and the couple left afterward for a trip through south. They will be at home after Oct. 18 at 2245a Washington avenue. Miss Virginia Judd presided over the guest book and Mrs. Doris McFallis, a sister of the bride, assisted at the reception.

Both young people were graduated from the Granite City schools, and the bridegroom is studying at SIU-SW. He is employed as an electrician apprentice at Granite City Steel Co. The former Miss Dallas is employed in the purchasing department of Granite City Steel Co.

Plan Contest to Up Sales of Bus Passes

A contest among Bi-State Transit bus operators, aimed at increasing the sale of \$3.50 weekly transit passes, will be inaugurated this week, according to an announcement by Transit Services Corp., managers of the bus system.

The sales contest will last for eight weeks and will be based on the increase in the number of passes sold. The bus operators in each division will be divided into teams and awards will be made to members of the winning teams at the end of the contest. In addition, ten individual prizes will be awarded each week, beginning with the second week of the contest, to operators whose pass sales show the greatest increase over the total sold by the operator during a basic period prior to the start of the contest. Winners will select their prizes from merchandise gift books that have been furnished them.

The growing popularity of the weekly pass has been indicated by the fact that pass sales have gone from 14,700 the first week, last June, to over 21,000 in recent weeks. The weekly pass is sold on the bus each Friday, Saturday and Sunday.

To flatter some people it pays to keep still and listen.

May Remodel 12 GC Schools to Improve Safety

Work may be started this fall on surveys leading to extensive remodeling of 12 buildings in the Granite City school district.

Details of contracts with two architectural firms already are being discussed. However, a state supreme court ruling last week has raised the question of whether the state will be able to enforce its remodeling requirements.

Between now and July 1, 1967, Architects Henry Gabriel and Sylvester Dulgeroff are tentatively set to prepare plans and specifications on revamping Granite City high school, the McKinley, Washington and Webster grade schools and older portions of the Mitchell and Nameoki grade schools.

Architect Virgil Dulgeroff meanwhile would be surveying and developing plans for Central junior high school, Emerson and Stallings elementary schools, the Logan grade school annex and older parts of the Niedringhaus and Marshall elementary schools.

Fumes Chief Target
Remodeled by the Illinois Life Safety Code, as revised in the 1965 state legislative session, the remodeling is intended to provide better protection for school children against not only fire but its oxygen-consuming fumes.

In a disastrous Chicago parochial school fire fatal to nearly 100 youngsters in 1958, suffocation rather than burning was the principal cause of death.

Since then, there has been a concerted drive to improve Illinois schools so that, after a fire, there would remain not only the building structure itself but life inside it. Most schools have been basically "fireproof" for many years.

Greater Number of Exits
All new schools and school additions apparently must conform to the new requirements—including walled-off stairways and numerous outside exits—their initial design and construction.

Projects with acceptable designs are the recently-completed Niedringhaus addition, a GCHS cafeteria—classroom structure being erected, and new Parkway grade school and Grigsby junior high school.

Schools completed in 1955 and later include Coolidge and Prather junior highs and the Frohardt, Lake, Logan, Maryville and Willson grade schools.

Cost Undetermined
How much would the 12 remodelings cost?

The total would be considerable, but at least part of the cost could be paid for in many districts through a non-referendum temporary increase in the building fund tax rate.

Measured against the value of human life, the probable cost was regarded as reasonable by state school, fire safety and legislative leaders.

The Illinois Supreme Court last week said the Winnebago county circuit court was right in holding invalid specifications prescribed for the Rockford school district.

Minimum vs. Excellence
The court said the code, which State Supt. of Instruction Ray Page issued in 1964 with prior legislative sanction, should have provided only for minimum

MAINTENANCE CENTER of the new Pontoon Beach telephone exchange which went into operation Sunday morning. All testing is done and all trouble records are checked in this vital section of the new million-dollar building which serves the Mitchell and Pontoon areas.

standards of school health and safety. It was ruled that he exceeded the authorization in setting his "own standard of excellence for public school construction."

Justice Roy Solisburg Jr. of Aurora wrote in his opinion that the General Assembly intended only that Page establish a standard "below which school buildings would be dangerous to pupils."

Rockford school officials contended that compliance with the code would cost them over \$1 million, and that \$500,000 already had been spent by that district for improvements to meet local fire code requirements.

The legislature this year adopted the modification which empties schools built in 1955-1964.

Boy, 15, Suffers Football Injury

Ernie Schwendemann, 15, son of Mr. and Mrs. Richard Schwendemann, 2249 Lee avenue, who sustained an injury to his left shoulder while playing football last week, was released Friday morning from St. Elizabeth Hospital where he was kept overnight for treatment. The GCHS sophomore, who plays a defensive left end position, probably will be out of action for about two weeks, he reports.

Also admitted Thursday was James Johnson, 26, of 1055 Calhoun street, Venice, after a broken needle was discovered embedded in his right arm.

Others treated and released, were Billy Knapp, 8, son of Mr. and Mrs. William Knapp, 1737 Venice avenue, who sustained multiple abrasions about the face and lip cuts when he fell on a cement walk; George Klug, 64, of 4120 Breckenridge lane, who suffered a chip fracture of his right middle finger while making repairs to an automobile.

After she stumbled on the sidewalk near her home, Cynthia Mullenix, 5, daughter of Mr. and Mrs. Thomas Veath, 2118 Washington avenue, lost a front tooth and had two other teeth loosened; and Kenneth Rensing, 2½, son of Mr. and Mrs. Harold Hall, 2454 Edison avenue, had two statures taken in his chin after a fall.

Arrests by Rodor Unit
Radar speeding charges were filed on Wabash and Franklin avenues late Saturday afternoon against Richard Mathews, 2316 Lynch avenue, Ira Jones, Collinsville, Mary Brackett, 2346 Woodlawn avenue, and Ervin L. Shaw, 4024 Maryville road. Hearings will take place Oct. 15.

Uncertainty Continues
Among the questions to be answered now is when and if a revised state code will be prepared, and how soon it will be tested in the courts.

The Granite City district is among those which have largely been "marking time," but numerous school systems already have expended large sums for surveys and are nearly ready to proceed with calls for construction bids.

With last week's development, it appears the already long period of uncertainty may continue indefinitely.

Heater, Hotplate Among Weekend Fire Causes

Three fire calls were answered within a four-hour period between 11 a.m. and 3 p.m. Saturday by Granite City firemen, with the final call to the Shubert home at 1936 Benton street resulting in an estimate of \$100 smoke damage. Clothing next to a hot water heater had ignited.

Trash caught fire earlier near the rear door of the Martinizing cleaning firm at 2009 Madison avenue, with no damage listed, and a cooking grill fire caused \$20 damage at Lee's Grill in the 1600 block of Madison avenue.

At 10:40 a.m. Sunday a plant guard saw smoke emerging from the Kieff apartment at 2001a Washington avenue and summoned firemen, who entered through a second floor window and limited damage to \$5. A hotplate holding an empty skillet had been left turned on, and had nearly set a dresser on fire.

Almost* everyone appreciates the security of an automatic NITE-LITE

Business owners say:
"No matter where I am, I know Nite-Lite is keeping my premises brightly lit—automatically. It's real peace of mind that costs very little."

Policemen say:
"A powerful outdoor light is a real deterrent to vandals and criminals. It's a well-known fact that prowlers hate light."

Employees say:
"When we work after dark, we feel more secure with Nite-Lite. It's always on, dusk to dawn—you never have to give it a thought."

The Parable Of Two Seas

(This parable has become a classic in the literature of selflessness. It was written by Bruce Barton of the Batten, Barton, Durstine and Osborn advertising agency, and was contributed by him to the Community Chests and Councils of America in 1945.)

(Each year since then, the parable has been used extensively by United Community Campaigns of America in annual appeals for Community Chest and United Fund contributions. It is published today in recognition of the Oct. 7 start of the United Fund campaign in the Quad-Cities.)

There are two seas in Palestine.

One is fresh, and fish are in it. Splashes of gaily adorned banks. Trees spread their branches over it, and stretch out their thirsty roots to dip of its healing water. Along its shore the children play.

The River Jordan makes this sea with sparkling water in the hills. So it is called the Sea of Galilee. And men build their houses near to it, and birds their nests, and every kind of life is happier because it is there.

The other sea is shrewder, hoarding its income jealously. It will not be tempted into any generous impulse. Every drop it gets it keeps.

The Sea of Galilee gives and lives. The other sea gives nothing. It is the financial district of the world. There are two kinds of people in it.

Which kind are we?

Investment Answers To Be Given

Beginning in the next edition, the Press-Record will begin carrying a new column of investment advice. "Today's Investor."

It is being written by Thomas E. O'Hara, one of the most highly regarded authorities in the field of investment education. Appearing in the Press-Record, the column will take an easy-to-read approach to the full range of victories to be achieved and the pitfalls to be avoided in today's investment field.

The column is being provided by the Press-Record in cooperation with the 150,000-member National Association of Investment Clubs (NAIC) and the Investment Education Institute, a nonprofit organization supported by some of America's leading industrial and financial firms, and dedicated to passing on sound investment information and teaching people how to save and invest wisely.

O'Hara is chairman of the board of trustees of NAIC and a member of the Financial Analysts Society.

Readers are invited to submit their own investment problems. These will be answered as time and column space permit.

THE PASTOR SPEAKS

REV. KEITH W. STANFORD
Suburban Baptist Church

Does it make a difference? This business of being a Christian is it really a matter of importance in a world like ours?

It's a dog eat dog world. It's a world of brutality and hatred—a world where every man is jealous of his own rights and yet he usurps the rights of another to get them.

In short, it's not the kind of a world that a Christian ought to be in.

Maybe we ought to move out by ourselves—get away from problems and try to serve Christ. The only problem is that in this solution would not be Christian either. In John 17, Christ's prayer included one petition that we not be taken out of this world but that while we are in the world we shall not be part of it.

It would seem, then, that being a Christian means that we are in this world, in the middle of its power-mad structures, involved in its selfishness, a part of its callous heartedness, and yet never surrendered to it. Never at peace until we have transformed it.

Which Values To Accept?

If we are to be in this world, but not of it, we must be Christian and not accept the world's values as its values.

In the world, success is money. To the Christian, service is primary.

In the world, the material is emphasized. To the Christian, the spiritual must be first.

The world puts a premium on being like everyone else. The Christian is determined to be like Christ.

One of the differences being a Christian makes is to give us a new set of values.

Then there are some new standards by which to work. Instead of, "What can I get away with?" the Christian asks, "How would Christ do this?"

Instead of, "Who do I have to put up with?" the Christian asks, "Who needs my help?"

And rather than, "My life's my life; I'll live it as I want to," the Christian says, "I am identified with Christ and therefore He lives his life through me."

Yes, decidedly! If we are in the world but not of it, the things we value and the standards we set will change us and we'll change our world.

Charged with Fighting

Fighting and profanity charges were filed at 7:30 p.m. Friday against a driver in a 1964 Ford Mustang at 22nd and Washington avenue against Sandy Williams, 17, of 2006 East 20th street, and Vickie Rishovsky, 21, of 1617 State street, Madison. Each was released on \$50 cash bail.

DWI Charge in Crash

A charge of driving while under the influence of alcohol was filed at 3:55 p.m. Friday against James E. McMahon, 258 E. Lincoln avenue, whose half-ton truck had struck the left rear of the parked auto of Ronald York, 2707 Kirkpatrick Homes, on Namooki road.

Fluoridation Continuing To Grow—Elsewhere

Water fluoridation—still bogged down in the Illinois Metropolitan Area—continues to make steady progress on the national scale. Such progress is bringing decreased tooth decay to more and more Americans each year.

State Attorney General Harold Mulvey has ruled constitutional a unanimously adopted Connecticut Public Health Council regulation requiring fluoridation of all public water supplies serving 20,000 or more persons.

The new section of the Connecticut state health code sets deadlines of January 1967 for water utilities serving 50,000 or more people and October 1967 for supplies serving 20,000 to 50,000. Legislative and court action is anticipated prior to those dates.

Illinois also has made much progress, extending the benefits of fluoridation to millions of residents. But it is plagued by the same type of problems that prompt statewide action in Connecticut—pockets of population where the majority desire for fluoridation is being thwarted due to various causes.

In the New Haven and Hamden, Conn., area, delay was caused by a water company. In the area served by the East St. Louis & Interurban Water Co., the utility is willing to proceed but lacks Belleville area approval for improving the single flow of water going to nearly two dozen communities.

Unless some other solution is found quickly, Illinois ought to follow Connecticut's enlightened example. Each day of delay brings needless pain, expense and loss of health to thousands of youngsters—and blocks locally an attraction to new residents which St. Louis, Chicago and countless other communities can and do offer.

Long Drive For Downtown Park Nearing Completion

Granite City "may wish to consider establishment of a mall-type area or landscaped park in the triangular block occupied by the post office.

The new memorial fountain a few blocks down Niedringhaus avenue has proven to be a beautiful addition to the downtown scene—a unique landmark. An additional parkway in the midst of the busy business district could prove to be another excellent project."

This Press-Record comment was published not a few months ago but, exactly 16 years ago, October 1961, which gives some idea of the fact that such progressive steps seldom are achieved overnight. But forward progress fortunately is being made toward making this natural gas supply for better place to live, work, play and shop—and a park on the site of the former post office will soon be among the assets.

Now that the Granite City park district has authorized an application to the federal government to buy the site—necessary funds for purchase and razing have been donated to the district—there appear to be no obstacles to early development of a scenic drive, work, play and shop—and a park on the site of the former post office will soon be among the assets.

Reconsideration Of Gas Pipeline Decision Would Be Fair To All

Now that a petition is being filed with the Federal Power commission to reconsider its Sept. 10 denial of a competitive natural gas supply for this metropolitan area, local residents may wish to express their interest in the case in letters to the commission, Cong. Price, Sen. Dirksen and Sen. Douglas.

All three proposals submitted to the FPC had advantages and weak points. But by eliminating one of the three from consideration—the Oklahoma-Illinois Pipeline—application—the commission in effect voted 4-1 for a continuation of only one basic source of gas. Of the 12 largest metropolitan areas, only three others are restricted to a single supply.

Modification of the various proposals would be a logical step; the commission then would still be free to choose the best. But it is necessary for the FPC to reverse or amend its order at this point in order for three plans to be kept temporarily alive. Since all would have equal opportunity to present revised proposals, this would be fair to all parties.

The dissenting commissioner, who had voted to back the FPC staff and its principal examiner, noted the probability of court review unless the commission alters its reversal of the hearing recommendation.

Unfortunately, with the two-year trial period that is permitted, the large Oklahoma gas supply now available probably would be diverted elsewhere before courts could intervene. This leaves it squarely up to the commission.

LESSER CHARGE FILED AGAINST DRUNK DRIVER

To the Editor:

What does it mean when a driver is charged with "drunken driving"? Just how drunk do people behind the wheel of a car driving right on our streets of Granite City must be?

I saw cars on the opposite side of the street climb the curb and pedestrians run for their lives in the mad of town (20th and State street) to escape it. We followed him for a dozen blocks and held our breaths and prayed.

We rushed to the police station and they put out a call. He was apprehended by a police car at 20th and State. He was so drunk he had to be helped.

Yet, when our paper came, we learned he was charged with "driving on the wrong side of the street." Did they really let him go back behind the wheel? How cheap is human life?

Why do they even bother to make laws if they are enforced in this manner? I still shudder when I recall what we saw, and that nothing was done. God was really wasting or more than a dozen people could have gotten hurt.

May the ones who let this driver go never meet him on the highways or streets.

WOMAN READER

DOUBLE STANDARD ON TRAFFIC PENALTIES

To the Editor:

What kind of laws do we have here in Granite City? We have lived here for 10 years, pay our taxes on time and obey the laws in every way.

My wife and I, a married daughter and son-in-law in Granite City. A few days ago, her car stopped on her in a no-parking zone and she could not move it. Before she could get someone to tow it, she had a ticket on her car.

Although young and supporting three children on one paycheck, my son-in-law had to go before the magistrate. He told what had happened and still was fined \$15.

But five charges against a boy were dismissed because the officer did not testify against him. He is still on our streets because the charges were dismissed by Magistrate Hiscott because the officer did not testify.

What kind of people do we have in public office? I'm going to vote and ask my family and friends to vote to see that some of them do not get back into office.

Two Of The More Important 'Weeks'

Special "weeks" crowd the calendar. Two of the more important yearly observances occur in early October, National 4-H Club Week having just started and Fire Prevention Week having just started.

Four-H clubs locally and nationally for decades have been stressing knowledge, leadership, citizenship and high personal standards, in urban as well as rural areas. Skills taught include sewing, cooking, gardening, care of livestock and pets and safety practices for the home, school, recreation area, highway and farm. "Head, heart, hands and health" are activities being stressed by millions of men and women, including over two million currently in the 9-19 age range served by 94,800 clubs.

Value of fire prevention is obvious, and past efforts have proven helpful. Although estimated at a billion dollars for the eighth successive year in 1964, there was a 2.7% decrease from the 1963 total. However, the tragedy of last year's 11,900 fire fatalities is heightened by the fact that most could have been prevented by greater use of known precautions.

Timing of some of the special weeks no doubt was chosen at random, but there is a reason why fire prevention is "Topic A" at this time of year. The great Chicago fire, which took 250 lives and destroyed 17,430 buildings, occurred Oct. 9, 1871.

New Kind Of Space Age Expansion

"Flash Gordon" cartoons, whose 1930 space travel predictions have largely come true, depicted inhabitants of outer space as lean and athletic. Selection of current real-life astronauts and cosmonauts has done nothing to dispel the image of trim, wiry bantamweights in space navigation and technological jobs.

A blow for the "common man," who tends to accumulate excess avoirdupois, has been struck by National Aeronautics and Space Administration nutritional researchers, who find this is just what they need to carry out certain future space probes and to man high-in-the-sky platforms. Body fat is now viewed as an important energy source, and an supplement to food supply on lengthy missions.

We, of course, do not list ourselves as in this category, but on behalf of any slight readers, we are pleased to see that some of the space age glamor may be spread around to a "wider" cross-section of the population. Now if they can only figure out how to make the capsules a trifle roomier...

Large Delegation At Stake C. Meet

A delegation of Quad-Cityans, some accompanied by their wives, attended the high annual meeting of the Illinois State Chamber of Commerce held last week in Chicago.

Among the featured speakers at the convention were John T. Connor, Secretary of Commerce; Senator George Murphy of California, and Gov. Otto Kerner. Sessions were held daily and evening, and officers for the coming year were elected. Burnham P. Spann, Quincy, was re-elected state president.

Those from here attending the convention were Mrs. Helene K. C. and his wife, Fred Goewert, local C. of S. secretary; William Kosick, Henry Karandjoff, Schmitt, Mr. and Mrs. Freeman Wolfe, Mr. and Mrs. Chester Baker, and Mr. and Mrs. C. E. Schmitt and Townsend, members of the Illinois C. of S. Economic Development Committee, also participated in a Thursday morning session of that group.

All returned home Saturday except Karandjoff, who remained in Chicago for a meeting this week of the Illinois Bankers.

Liquor Licenses Issued For Every Tavern

A county liquor license has been issued to Pruitt Fletcher, 27, of Venice, for operation of the Wagon Wheel tavern in East Ford.

The license was authorized by Harold Landolt, county liquor commissioner, in a Thursday morning session of that group.

All returned home Saturday except Karandjoff, who remained in Chicago for a meeting this week of the Illinois Bankers.

Conduct Charge Filed

Arrested for disorderly conduct toward a group of people in front of the Washington theatre at 9:50 p.m. Saturday, Richard J. Buckingham, 18, of 929 State street was jailed pending posting of bond.

Mrs. Harry Waldorf has gone to Lawrenceville, Ill., where she will visit her parents and other relatives for several days.

An East Madison man, arrested Friday on a charge of attempting to dispose of meat from hogs which had been condemned as suffering from cholera, has been summoned to Chicago to explain to State Food Commissioner W. S. Matthews how he came to have the diseased animals in his possession. Conviction on this charge carries a minimum of one year in jail and a fine of \$1000.

The Dr. J. J. Storz of Granite City, deputy veterinary inspector of Illinois, assisted the pure food inspectors in making their investigation in St. Louis.

The arrested man said he did not know the hogs were diseased when he bought them, or that they had been condemned at the National Stock Yards by officials of the United States Bureau of Animal Industry.

F. N. Saegesser of Granite City, director of the Riverside Meat House in St. Louis, has arranged for the appearance there of Rev. H. L. Ramsingh, a native of India, who will deliver a lecture on his travels.

Rev. Ramsingh will narrate many of his experiences in India and tell how he slept in a hammock under a tree to escape the heat. He is on his way back to India to continue missionary work.

E. Merz, H. F. Stricker and Alderman Bert Hodges took a trip and hunting trip to Effingham, Ill.

Rally Day at Central Christian Church Sunday surpassed any in Granite City.

The Dog Fanciers Protective Association of Granite City, at its last meeting, approved by-laws and accepted a number of new members.

The organization was formed several weeks ago by hunters of dogs and dog fanciers who were weary of having their valuable dogs stolen just when they most wanted them for hunting purposes.

Like Otto is president of the association and Fred Strackel is secretary-treasurer.

Members of the club are close to 70, and new members are being added at each meeting.

It was decided to offer a reward of \$25 for information leading to apprehension of dog thieves. Most members reside in Granite City.

Ground will be broken for a new \$35,000 Calvary Baptist Church at 30th street and Washington avenue in a special service at 5:15 a.m. Monday. A brief and interesting program has been arranged.

Bro. Frost, oldest church member of the church, will turn the first spadeful of earth. Rev. H. L. Ramsingh, pastor, said he added that the congregation grew its present church a few years ago, but delayed building until a more opportune time.

There are 225 members in the church and a Sunday school enrollment of 300 with an average membership of 200, the pastor said, all crowded into a 26x36 foot frame structure.

The third Baptist church building, which was erected here last year, members of the Calvary Church plan to do most of the work themselves. Their volunteer labor will constitute most of the equity in the building, and the balance will be covered by mortgage.

The building will be of brick construction, 50x60 feet, and will contain a basement and two stories. The auditorium will be on the ground floor and educational rooms on the second floor.

Social Security Questions Will be Answered Thursday

New amendments to the Social Security Act which directly involve all persons 65 years of age or older will be explained by staff members of the East St. Louis district Social Security office here on Thursday.

The agents will be at the city hall in Granite City beginning at 9 a.m. to answer all questions concerning Social Security for residents of the Quad-City area.

Ralph Brasher, manager of the district office, said the day's session in Granite City was arranged to avoid the necessity of Quad-City residents making a trip to East St. Louis to learn the answers to their problems. He said that because of

changes made in the laws this year, there are a number of persons who should contact the Social Security office concerning their status under the Social Security Act.

Among those who may have problems, Brasher said, are persons 65 years or older who are not drawing Social Security; widows who are 60 years or older if their husbands worked under Social Security; students between 18 and 22 who are attending school fulltime and whose parents are drawing Social Security or are deceased, and persons aged 62, even though they are working, if their earnings are less than \$3000 a year.

Need Building Permits For Signs in County

Jack Clifford, Madison county building official, reported, this week that individuals are erecting advertising signs without obtaining the required building permits.

He said they would be prosecuted unless building code requirements are met. In case of signs erected illegally, the responsible persons will be made to remove them, he added.

The county has lost about \$10,000 in building permit fees over the last four years for signs, caused by lack of sufficient personnel to do an adequate job of inspection, Clifford added.

IEA Division Institute Set Friday at Highland

More than 2000 teachers and educators from the five-county Marquette division of the Illinois Educational Association will hold their seventh annual meeting Friday at Highland. Schools will be closed.

Guest speakers will be John Furby, director of air world education of Trans World Airlines, and Nicholas Nyaradi, director of the school of international studies at Bradley University. Wayne Stoenke, executive secretary of the IEA, also will speak.

The two guests will speak at each of two sessions to be underway in the gymnasium and auditorium at the high school. Furby's topic will be "Countdown for Tomorrow" and Dr. Nyaradi will discuss "The American Dilemma." Stoenke will speak on legislative accomplishments.

Presiding in the gym will be Harold Briggs of Granite City, division president, and in the auditorium, Guy Petty, immediate past division president.

Discussion Groups
The meeting will be called to order at 9 a.m., and after the talks and a coffee break, discussion groups will be conducted from 11:30 a.m. to 1 p.m. to conclude the institute.

Leading participants will include Mrs. Agnes Fryntko of Granite City, chairman of the foreign language group, and Arthur Menendez and Alfred Wilcox, both of Granite City, consultants for group discussion on the techniques in teaching the gifted.

Other speakers during the period will include Buddy Brehmer, head basketball coach of St. Louis University, and consultants from the office of Ray Page, state superintendent of public instruction.

Furby, an internationally known explorer, lecturer and global air commander, holds a Ph.D. from Yale University and has studied at the University of Chicago and the Sorbonne in Paris.

He spent several years as senior international specialist in the U.S. office of education and as educational attaché in the U.S. embassies of Costa Rica and Colombia.

150 from 92 PTA Groups Attend District Conference

More than 150 representatives from 92 local PTA units, comprising District 29, attended the two-part, fall district conference held Thursday at the Lewis Clark junior high school in Wood River. Dr. Milton R. Litterst of Peoria, president of the Illinois Congress of Parents and Teachers, was the principal speaker at the evening session.

Mrs. Ida Hanfelder of Granite City, District 29 director, presided over the 30th annual conference, which had as its theme, "Let It Begin Here." Delegates were present from Jersey, Calhoun and Madison counties. Greetings were extended by G. O. DeAtley, superintendent of Wood River schools, and Mrs. Roger Elbe, Lorena Avenue PTA president, the host unit, welcomed the distinguished guests and district officers.

Role of Fathers
Dr. Litterst spoke at length on the role of the father in school affairs and PTA activities. He emphasized that month-by-month changes in academic standards, curriculum and the education field in general, necessitates a constant awareness by parents in the educational aspects of their community.

The state PTA president added that more men should be reached through the PTA and encouraged to consult with faculty members and participate in school board meetings.

His talk was followed by a reaction panel discussion presented by R. L. Wilbur Trippie, Madison county superintendent of schools; C. A. Henning, Triad community school superintendent; and Gus Roth, Jerseyville schools administrator.

The panel also advised delegates to keep a watchful eye on federal funds being allocated to their school district which, Roth stressed, should be kept on an independent basis at all times.

Round Table Workshops
The afternoon session convened at 3:30 p.m. with delegates participating in a series of round table workshops.

Local Participants
Instructors from local units included Mrs. Mary Jesse, who led the session on "Legislation"; Mrs. Kathleen Tadlock, "PTA Councils"; and Homer Johnson, "Safety."

Other subjects covered were "Exceptional Child," taught by

Dr. Litterst; "Policies and Principles," Mrs. V. J. Brazier, ICPT vice-president; "Scholarship," Mrs. Thomas Holland, Wood River; "Membership," Mrs. Michael Ritter, East Alton; and "Magazines and Publications," Mrs. Robert Harris, Wood River.

Dinner was served at 6:15 p.m. with Rev. E. Eugene Smith, pastor of the Wood River United Church of Christ, offering the invocation. Presentation of the colors was conducted by Girl Scout Troop 728. An interlude of organ music was provided by Mrs. Jane Johnson of Granite City.

Mrs. Hanfelder announced the 1966 fall conference will be held in Collinsville. Unit representatives were urged to attend the state PTA convention, slated for April in Chicago, and the national conference, scheduled for May in Baltimore, Md.

Bruce McIntosh, 71, Former Resident, Dies

Bruce McIntosh, 71, Alorton, a retired employee of the General Steel Industries Commonwealth plant and A. O. Smith Corp., died Friday at a Jacksonville hospital and was buried at Mount Carmel Cemetery, Belleville, following services this afternoon at an East St. Louis funeral home.

A world war I veteran, Mr. McIntosh was born in Allen, Tenn., and lived in Granite City before moving to Alorton 23 years ago. He had been hospitalized two months.

He is survived by his wife, Anna; a son, Walter Glen McIntosh of Venice; four sisters, Mrs. Jeanette Hill of Willow Springs, Mo., and Mrs. Nellie Rhodes, Mrs. Rancy Graham and Mrs. Danie Green, all of Granite City; three brothers, Elmer and Cornell McIntosh, both of Granite City, and Alorton; "Ed" McIntosh of Grand Tower; and three grandchildren.

Booked on 3 Charges
Owen Murray, 17, Army Depot, was arrested at Niedringhaus avenue and Olive street at 11:10 p.m. Saturday on charges of intoxication and profanity and resisting arrest.

Art Group Tours Aiassi Home

The Art Study group of the American Association of University Women met Friday night in the home of Gene Aiassi, art supervisor in Granite City schools, to hear a discussion on Aiassi's purpose in his painting as an artist and the trends in art expression in today's world.

Aiassi told the group that he looks first for design and secondly for color and that when design and color are combined, it becomes a thing of beauty. He told the group that the trend in art today is to look for abstract qualities as well as the principles of the old masters.

Those present included Mrs. Helen Gantcheff, Miss Virginia Segar, Miss Lilly Dod, Miss Mary Cowan, Miss Martha Cowan, Miss Margarette Barler and Mrs. Edna Lynn.

The group inspected the Aiassi home which is decorated in the Mexican motif with many paintings, etchings and other art works.

Shower Honors Miss McGovern

Another of the brides and brides-to-be honored recently was Miss Diane McGovern, who will be married Oct. 30 to Charles Stephens. She was complimented Sunday afternoon at a shower party given by her aunts Mrs. Jackie Watkins, Mrs. Rose McGovern, Mrs. Phyllis Seka and Mrs. Joann McGovern at the VFW hall.

Games were played and a number of prizes were awarded. Approximately 50 were present, and refreshments were served. Decorations of yellow and white were used, and the bride's table held a bride doll and white wedding bells.

BUSINESS WOMEN ATTEND DISTRICT II MEETING

A number of local women, members of the Granite City Business and Professional Women's Club, were in Belleville Sunday to attend the fall conference of District II, B&PW, held at Augustine's restaurant in Belleville.

They were Mrs. Verna Lengyel, Mrs. Dolores Allen, Mrs. Judith Allen, Mrs. Rebecca Hale, Mrs. Martha Rochester, Mrs. Winifred Castello, Mrs. Helen McAnally, Mrs. Vernice Wortman, Mrs. Opal Duval, Mrs. Nina Bigley, Mrs. Marie Hampton, Mrs. Lottie Schuster, Mrs. Betty Walls, Mrs. Ruby Jackson, Mrs. F. L. Reed, Mrs. Pearl Eyckman, Mrs. Elvira Thurber and Misses Dorothy Davis and Kathryn Esterline.

The Marissa, Ill., club was co-hostess with the Belleville club and Mrs. Alma Brown, district chairman, presided. Miss Jean McCarrey of Tuscola, state first vice-president, was guest speaker, and entertainment included musical selections by Mr. and Mrs. Vern Autry of Marissa.

CELEBRATES BIRTHDAY AT PARTY SUNDAY

A party celebrating the sixth birthday of John Neal Rushing was given Sunday afternoon by his sister, Miss Judy Rushing, at her home, 2438 Madison avenue.

A cowboy theme was used, and the guests attending were Theresa Hess, Suzy Groce, Joe Groce, Ronny Moore, Linda Holter, Melvin and Sandra Pashas, Yvonne Rushing, the honoree and his parents, Mr. and Mrs. Sidney Rushing.

Refreshments were served and prizes were won by Theresa Hess, Joe Groce and Melvin Pashas.

Tonight's GC Council Session is 'Iffy'

The Granite City council session may or may not be held this evening.

Convening aldermen, however, are not expected back in time for the 8 o'clock meeting, and if a quorum is not present tonight, the meeting may be rescheduled for tomorrow evening. Alderman Bartosik, who is attending the Illinois Municipal League convention at Peoria, recommended in a letter to the council last week that the meeting might be changed. Council members present, agreed with City Atty. Allen, that the meeting would have to be called on the regular night, and then could be postponed, if necessary.

Five aldermen were given \$150 allowances each for going to the Peoria meeting. The remaining 11 aldermen would be able to conduct a meeting tonight if at least nine are present.

The convention allowances approved last week were for Bartosik, Basarich, Green, Nonn and Poulos.

Pending Business

Among business pending before the council is the resolution placed on first reading last week for a joint project with the county highway department to widen and improve Maryville road. The estimated cost to the city from its motor fuel tax funds would be \$55,000 plus the cost of right-of-way acquisitions.

The city also is studying a proposal by the cities of Madison and Venice to lease the Granite City dump for its garbage and trash with the two-city payment to total \$500 a month. Hope is being expressed that advertisements placed in area publications will bring results with applications for the vacant job of city engineer. The city has several drainage projects pending as well as other work. Alderman Sternberg, a contractor, has made his firm's engineering staff available without cost to the city in getting preliminary data ready.

Also pending for month's is a study of liability insurance needs for the city.

City Treasurer E. R. Rich is to submit a report on the 1965 collection of taxes.

Local SIU-SW Students Practice Teaching Here

Two 1962 graduates of Granite City high school, who are senior mathematics majors at Southern Illinois University-Southwest Campus Alton Center, presently are doing student teaching at the local high school.

They are Miss Beverly Jackson, daughter of Mr. and Mrs. John Jackson, 2825 Iowa street, and Miss Pat Cerutti, daughter of Mr. and Mrs. Berto Cerutti, 3028 Marshall avenue. Both have been assigned to the mathematics department under the supervision of Robert Nelson.

Auto Report Switched

A car driven by August J. Bauer, 3504 Franklin avenue, was struck in the rear by another driven by Sharon Hochstetler, 2802 Pershing avenue, Thursday at Nameoki road and Madison avenue, rather than the reverse as previously reported.

All Medicare Applications To be in Mail by December

Mailing of the 15 1/2 million "Medicare" applications to social security and railroad retirement beneficiaries, which started Sept. 1, is moving smoothly and all beneficiaries should receive theirs by December 1965. It was announced today by Ralph Brasher, manager of the East St. Louis Social Security office.

A booklet explaining protection under the new hospital insurance plan and what additional supplementary protection is available under the voluntary medical insurance program is being sent along with the application. Brasher cautioned beneficiaries not to become upset if they don't get their applications in the first few mailings. All will be mailed in plenty of time to be returned before March 31, the last day of the first general enrollment period.

The mailings are being made on a regular schedule, based on the last digit of a beneficiary's claim number. This means that a husband and wife may receive their applications at different times if the wife's benefits are based on her own work.

Also, because of the scheduling, next-door neighbors probably will get their applications at different times.

Another problem that has arisen Brasher added, is that some husbands and wives are both signing the same enrollment card. Each beneficiary will get his own card in the mail and should not use someone else's card.

"I suggest that if anyone has a question about their rights or responsibilities under the social security law, they write, phone, or visit the East St. Louis district office, located at 435 Missouri avenue. The telephone numbers are EXpress 7-3530 and BRIDGE 4-2200, Extension 324.
